Andrew Fleming Photography
Bendachin Drive
Dunfermline, Fife KY12 7RZ
United Kingdom

Wedding photographer based in Fife. Andrew Fleming Photography offers portraiture, landscape photography and corporate services across the central belt. Over the past few years I have worked with the local business community in Dunfermline to help promote the area through photography. My images were used as part of a winning bid for Britain in Bloom 2018, as part of a commission from Dunfermline Delivers. I can also provide timelapse, videography and album creation.
