Welcome to the Life Lab, we manufacture bespoke supplements and have an extensive range of UK-stocked nutraceutical ingredients. With over 20 years of experience in the market, we've built LifeLab designed to infuse vitality into the supplement industry. From vitamins and minerals to nootropics, from pre-workout to weight loss, our range of supplement powders are selected & packed with care. Lab tested and life approved. With international online platforms and in-store collection ability. LifeLab ensure we are there when our customers need us.
