Our Durham site offers clean, dry containers that work well for both personal and business needs. You can drive right up to your unit, which makes loading and unloading much easier. Whether you’re moving home, clearing space, or managing stock for a growing business, NE Storage gives you the freedom to choose the unit size and rental period that fits what you need. Security is central to what we do at NE Storage. Our site is monitored, fenced, and well-lit, giving you peace of mind every time you visit. We take pride in offering a place where you can store your items without worry, supported by a team that’s always ready to help if you need anything. As part of the Durham community, we work hard to offer storage that feels straightforward and reliable. Our flexible terms, friendly approach, and easy access make it simple to find the space that suits you. Whether you’re storing things for a short while or planning for the long term, NE Storage is here to make the whole process smooth from start to finish.Website: https://www.ne-storage.co.uk/Phone Number: 0191 640 3961
